Refereed Publications

- ❖ One of my co-authored papers in 2006 is recently enlisted by the [Google Scholar](#) (2017) as a [classic paper](#) in the entire field of transportation.
- ❖ A paper presented at *the International Association of Maritime Economists Conference in 2016* shows that my works in the field of 'maritime logistics' are listed at the top over the years of 1980-2016.
- ❖ An article appeared in *Transport Reviews* (2013) shows that my collaborative works published in the field of seaport research are highly ranked – among the top listed over the last three decades (1980-2009).
- ❖ Another article in *Maritime Policy and Management* (2013) lists my two papers (2003 and 2002) are among the top 30 most cited papers over the forty-year-history of the journal (1973-2013) – that is, the 2003 paper is the 11th most cited one, while the 2002 paper is in its 27th.
- ❖ See [Citation Index](#) for more about my research work and its impact.
